

From a Satisfied Customer and Resident:

I wanted to tell you on behalf of my family, thank you for the Flowood RC Park. We found out about it about 6 months ago and since then we have had more fun at the track than anything we have ever done. My wife, son and I all race. We absolutely love the new lights! We started traveling to other race tracks in Louisiana, TX and Florida anytime we go out of town and I am very proud to say that ours is the best! Marc Beck is always friendly, knowledgeable and ready to help anyway he can. All of the volunteers inspired us to volunteer as well. Now we volunteer for birthday parties and we get to enjoy this hobby with our new track family. Once again thank you for FRC!
